Rapid Rehousing (RRH) is a program for those who need guidance to navigate the housing system and short term rental assistance, but do not need long-term or the full support of a day shelter or Permanent Supportive Housing, in most cases. We offer case management to assist in locating permanent, affordable housing.

WHO WE SERVE

Knox County TN residents who are literally homeless (staying in emergency shelter or a place not meant for habitation) who score in the range qualifying for Rapid Rehousing on the CHAMP assessment

WHAT WE PROVIDE

We offer services to those who have been referred by the Coordinated Housing Assessment and Match Plan (CHAMP) and have completed an orientation session. Those interested in RRH should start with a CHAMP assessment that can be completed in the VMC Bush Family Refuge Tuesday/Wednesday/Thursday 9:00 AM - 11:00 AM.

The Rapid Rehousing waiting list is reviewed on Thursdays. Individuals are selected from the waiting list based on their CHAMP score and case management capacity. In order to be selected for the program, Neighbors must maintain contact. Referred Neighbors may check in during in-person office hours Thursday 3:00 PM - 4:00 PM, or by responding to phone calls or email from RRH staff.

WHAT TO BRING

No documents are required; staff will confirm the CHAMP referral via HMIS.
