VMC MISSION

Volunteer Ministry Center (VMC) was established in 1987 and is a 501(c)(3) nonprofit agency whose mission is to prevent and end homelessness, through compassion, accountability, and results.

At VMC, we serve those who are at the highest risk by offering high quality case management to support them on their journey to achieving housing. VMC has two permanent supportive housing units and offers services to help neighbors in crisis sustain housing.

We are committed to preventing and ending homelessness in our community. Through strategic fundraising events, we not only generate critical support for our programs but also build meaningful connections between community members and partners like you. We invite you to partner with us as a valued sponsor and guest of our event. This partnership offers a unique opportunity to make a tangible local impact while enhancing your visibility as a community-focused leader and concerned citizen.

VMC has helped over 1,500 neighbors find freedom from the streets. You can learn more about VMC's life changing programs at vmcinc.org.
