- Who we serve:** Chronically homeless individuals who are in need of on-site case management support
(HUD defines Chronic Homelessness as a person with a disability who has been literally homeless for either a full year, or for 4 episodes in the past 3 years that equal twelve months)
- What we provide:** Affordable permanent housing
On-site case management
- Cost:** Residents must qualify for a Project Based Voucher through KCDC and will pay rent equal to 30% of their income
- Times of service:** Case management and property management offices are open Monday-Friday
8:00 am -5:00 pm
- How to get services:** Residents are selected from the Coordinated Housing Assessment and Match Plan (CHAMP) referral process. Clients must be referred to the CHAMP Permanent Supportive Housing list by a community case manager and are selected from the list according to vulnerability. Upon being selected from the list, clients and referring case managers will complete additional paperwork.
