

# Pledge Raising Contest 2018

Whether you are registering for the 5K Race, the Donut Challenge, or registering as a couch supporter you can continue your support by starting your own fundraising page to raise pledges/donations and compete for a **\$250 gas card**. (You do not have to register for the race to compete in the Pledge Raising Contest). Encourage your friends, family and co-workers to support you by making a pledge/donation to your fundraising page for VMC.

The pledges and donations you raise will help 100 households maintain their housing by keeping their utilities on. VMC receives approximately 2,700 utility requests each year. Currently we are only able to assist 25% of the households that are in need of assistance, and come to us for help. This year's goal is \$10,000
